# Back in the Wind

Episode 3 • Capital Holland Festival

Story • Art

Shin Wool

It is a single-use  
long created from  
Honor Vials.

It does not stop time, but  
moves it to the darkness  
for a short while.

Since [Darkness]  
controls space...

You're right.

LONE MANGA!

This city  
has a total of 16  
citizens.

This location  
was chosen as the  
Capital for mostly  
safety reasons

LONE MANGA!

But in actual fact, it's  
to suppress a 'certain  
something' under the  
kingdom

...What  
do I?

LONE RANGA!

A human that  
crossed the seas, held  
a piece of Light.

Crossed the sea?

During the banquet,

LONE MANGA:

There's  
someone who  
wants to meet  
you.

There was a guy  
named Shin-guon from  
the Knights Church with  
an Artifact...

of the light  
element, huh...

The "Branch of God" is an object that identifies someone as an official priest of the Raimaru Church.

01

I've heard that the Old Continent calls Dragon Armillas "God's Claspets," and worships them.

Is that what he saw?

Se?

Your current mission is not to regain the Light your people have lost.

It is to "help me". Instead.

[The death of Rebel the First.]

You can do whatever you want afterwards.

but before that,

do what I say to the best of your abilities.

LONE MANGA!

...Yes

LONE MANGA

That is a key.

After you get it,

I'll just have to  
make the switch.

I have something only  
you can do for me.

Yes, Sir Reinhart, I'll  
do anything for you.

LONE MANCA!

...Sora

...Sora

LONG MARCH

NE MANGA!

A close-up of a character's face, focusing on the right eye and part of the hair. The character has long, straight pink hair and a single visible blue eye. The background is a soft, out-of-focus blue.

LONG MARGA

Kainok...?

Repeat.

Yes... I'm home...

... I don't like  
without you here.

Please don't leave me alone...

Beyond my busy sleep.

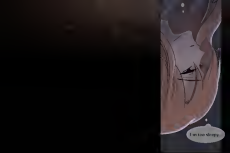

I could see bioluminescent eyes  
gazing at me into the night.

As if in fear of something...

he just kept on whispering.

Strange...

...can I  
wake up...

Before I had realized,  
as if laughing at my foolishness and complacency.

our parting...  
came suddenly without notice.

No.

It was always that way...

EDN: Taking a break from daily Abide.  
Motivation for working on this is steadily  
decreasing, so I'll be working on another  
project for the time being.
